1922 CHAUTAUQUA NEEDS 27 SIGNERS

BOOSTERS WANT 200 GUARANTORS FOR NEXT YEAR.

CLOSES WITH 'JOY NITE'

The Rev. J. A. Cooper Says Maryville Cannot Do Without Chautauqua —Gondoliers Not Liked

The Rev. J. A. Cooper, pastor of the First Baptist Church, made an appeal to a large chautauqua audience last night to sign the list to guarantee a Chautauqua for next year. At that time 155 signers had been secured and the addition of only 45 names was necessary to put it over the top.

The Rev. Mr. Cooper said that Maryville could not do without a Chautauqua and that there were many people that looked forward to that week each year as an outing. Several names were added, but the response was not entirely satisfactory to the Chautauqua backers. The list still lacked twenty-seven names of the desired two hundred this afternoon.

"It has come to where I don't care whether the people want a Chautauqua or not," said G. B. Roseberry. "Personally I can do without it, but I think it is a good thing for the town and that the young people need it."

The Gondoliers, a company of singers below the high standard maintained by the Chautauqua company in the early part of the week, gave a disappointing program. The final program tonight—Joy Nite— is expected to be a redeeming feature with Jess Pugh, noted humorist, and a company composed of Al Baker, ventriloquist, Youna the Juggler and Billy Pryor, blackface comedian.

This afternoon the children of Junior Town gave a Mother Goose Party in honor of Jack and Jill's Birthday. Audrey Stiwalt was Mother Goose, and all the children who have been having good times in Junior Town each morning, 100 of them, took part in the pageant.

SIGNS DIRECTING TOURISTS ERECTED TODAY BY C. OF C.

Point to Tourist Park—Building Almost Completed—St. Joseph Club Congratulates Maryville

Signs were placed on each side of the flag pole at the corner of Fourth and Main Streets today directing tourists to the camp provided for them in College Park. Other marking will be placed leading to the camp ground, both on Fourth Street and on roads leading to Maryville.

Actual construction of the building has been almost finished, with the ceiling being put in. The plumbers will then begin installing the shower baths and lavatories.

In a letter to the Chamber of Commerce, the St. Joseph Automobile Club says, "We are very glad to know that you are establishing a free tourists' park, and we are sure that it will prove very valuable to your town. In fact, we find that most of the tourists prefer to stop in towns the size of Maryville in preference to the larger cities, especially the campers."

SENSATIONAL SEARCH FOR PRIEST ENDS AT GRAVE

Body of Father Heslin, Shot Through Heart and Head, Found in Shallow Crypt.

San Francisco, August 11.—The body of Father Patrick Heslin, with a shot through the heart and one through the head, was found in a lonely hill side srypt in a shallow grave on Salada beach early today. By his side was a blessed sacrament which he had taken with him on the night of August 2 when he was called from his parish on a ostensidle mission of mercy. Search for the missing priest was brought to a sensational close on a clue furnished by William Hightower, who is held for further questioning. Hightower told the officers that a woman named Dolly Mason related to him the ravings of an intoxicated foreigner, that his gun had taken a human life. After telling where the grave was, Hightower said the woman disappeared.

In addition to the bullet wounds in the head an inquest developed that the priest's body had been literally riddled with bullets below the belt. His forehead was crushed from a heavy blow.

That robbery was not the motive developed when $85 was found in the priests's pocketbook.

HAVE BEEN "GOAT" LONG ENOUGH SAY THE CLOTHIERS

Local Merchant Thinks Amateur Economists Statements of Profiteering is Untrue

The retailers of clothing and men's furnishings back East feel that they are being made "the goat" by a few "amateur economists" who have been insisting that clothiers and dealers in men's furnishings are still profiteering, says Loren Price of the Montgomery-Cummins firm here. They have appealed to the public as follows:

WHY PICK ON US?

The woods are full of amateur economists who claim that prices of clothing, underwear, hosiery, shirts, sweaters, sleepingwear, etc., will shortly return to pre-war levels.

Will they

YES, THEY SURE WILL—

When hard coal is back to $9 per ton;

When railroad fares are back to 2c per mile;

When house rent is back to $25.00 per month;

When gasoline is back to 10c per gallon;

When telephones are back to $1 per month;

When a square meal is back at a quarter;

When farm labor is back at $25 per month;

When shaves are back at 10c;

When the freight rate from N. Y. now $1.84 is back at 97c;

When street car fares are back at a nickel;

When money is back at 5 per cent;

When cooks are back at $5.00 per week;

When hair cuts are back at a quarter;

When movie are back at a nickel;

When a car-wash is back at a dollar;

When ice cream is back at a dime;

When a doctor's call is back at two bucks;

When a city newspaper is back at a penny;

For the love of Mike why expect the manufacturer, wholesaler and retailer of Clothing and Furnishings to go the route alone? Why expect us and no one else to go back to pre-war prices? Why pick on us?

Aren't we Americans all in on this proposition together? Haven't we got to work it out together? Well, then, haven't we, the manufacturers, wholesalers and retailers of clothing and furnishings gone much faster and much farther than the average in reducing prices, and making readjustments?

We'll Say We Have!

We're ahead—way ahead of the procession. Now let the barbers and the movie houses, and the Standard Oil, and the soft drink parlors, and the landlords, and the hotels and restaurants, and the draymen, and the bankers cut their prices and catch up with us.

CROWD AT ASSAULT CASE PACKS MOVIE THEATER

Defendant in Hopkins Trial Says He Didn't Hit Plaintiff Because He Ran Too Fast.

Prosecuting Attorney Charles F. McCaffrey and his assistant, E. E. Williams, and L. C. Cook went to Hopkins yesterday where the case of the state vs. George Winters on a charge of assault was tried before Squire Ira Burch. The jury brought in a verdict of not guilty.

John E. Anderson was the prosecuting witness. The trouble arose over the dividing of a garden patch on the John Stevens property in the east part of Hopkins, Anderson claiming Winters struck him twice. Winters says he missed him because Anderson retreated. The trial was held in a picture theater at Hopkins and seats were at a premium. Cook defended Winters and was as funny as George Ade dare to be, according to the Hopkins Journal.

"GOOD NIGHT, WE'RE PINCHED" SAID AL BAKER'S DUMMY

Famous Ventriloquist Fools Gotham Cop and is Arrested but Released By Police Sergeant.

It was midnight in New York City and Al Baker, who appears on the chautauqua program here today, was just returning from his ventriloquist performance in one of the New York theaters. He was carry a heavy black bag containing the famous "Dennis"—his ventriloquist figure.

The wind was blowing around the buildings. Al had his hat pulled well down on his head. Suddenly a gruff voice said, "Where are you going?"

Al stopped. A "cop" blocked his path. "What are you doing with that bag? What is in it?"

"I have been working," replied the famous ventriloquist half laughing.

"Open it up and let me see."

The catches were opened. A little voice inside the grip said, "What's the matter, Al?"

Al said, "Oh a cop wants to see you."

The voice said, "Don't you open that grip. I'm cold enough now."

The policeman was stooping over, puzzled. Al opened the grip—there was Dennis looking up at him.

After the laughs the policeman said "Come on over to the station house."

"Sergeant," said he winking, "This man is carrying a midget around with him."

Two plain clothes men gathered closer. The sergeant looked puzzled. "Open the grip".

Up popped Dennis, looked around and said, "Goo-d night! We're pinched!"

Dennis then sang, joked and laughed for the crowd and had the bunch captured,

It was with reluctance the sergeant said, "Prisoner discharged!"

FAUST IS TALKED OF FOR SENATOR BY REPUBLICANS

Assuming that Senator James A. Reed will be renominated by the Democrats next year, the Missouri Republican leaders are searching the timber to find a man to run against him. In this connection Governor Hyde is credited with having made the remark that "the next senator from Missouri will be either Congressman Cleveland Newton of St. Louisan Congressman Charles L. Faust of St. Joseph." Those who know Newton best say it is extremely questionable whether he will get into the race. Friends of Faust say that he would make an "ideal" candidate; that territorially, he is "right" coming as he does from the other end of the state than that now represented by a Republican; that he has not been in politics long enough to have formed entangling alliances, and that hs is "outspokenly against Baberism and Liv Morsism in Missouri politics." Others mentioned for the Republican nomination for senator are Walter S. Dickey of Kansas City, E. E. E. McJimsey of Springfield, former Lieutenant Governor McKinley and former Postmaster Akins of St. Louis.—St. Joseph News-Press.

NO REST—NO PEACE.

There's no peace and little rest for the one who suffers from a bad back, and distressing urinary disorders. Maryville people recommend Doan's Kidney Pills. Ask your neighbor! Be guided by their experience.

Mrs. J. B. Kissinger, 904 East 4th St., Maryville, says: "I had been suffering with kidney trouble, for some time. I had severe pains through my hips and was tired and work. There were bearing down pains in my back and sides and I felt exhausted at times and I could not rest well at night. After using a few boxes of Doan's Kidney Pills I was greatly relieved from the pain and my health began to pick up, thanks to Doan's." (Statement given October 2, 1912).

On March 31, 1920, Mrs. Kissinger said: "Since I used Doan's Kidney Pills eight years ago I have not had a return of kidney trouble. I am glad to say Doan's permanently cured me and I wish to confirm my former statement as to the benefits obtained."

SHUTTING OFF WATER FOR TARDY BILL PAYERS BEGINS

Between forty and fifty water users in Maryville will soon hear only an empty gurgle when they turn the faucet above the kitchen sink, according to Mayor F. P. Robinson, who issued a warning several days ago that arrears on water bills must be paid at once. The work of shutting off the water to those tardy in their payments began this morning.

Unless the consumers who are on the mayor's list get to his office before the water man gets to their homes, they must rely on the neighbors' pump, says the mayor.

TOWNSENDS TAKE CLOSE GAME FROM CIGARS MAKERS

Nickel Plates Overcome Big Lead and Win, 8-7—Errors Figure in Making of Runs.

The Townsends won from the Cigar Makers last night at the college by a score of 8 to 7. This was perhaps the closest and hardest fought game of the Twilight League so far.

The El Retinas went to bat first. Stinson was on the mound for the Nickel Plates, in the absence of Castello, the regular pitcher. He tried hard to put over strikes, but he was not an experienced man in the box and the Cigar Makers hit him freely. Farmer, who played short for the Townsends, let in several runs by errors.

Five runs were made off Stinson and Farmer in the first and Stinson was replaced on the mound by Smith, who pitched air tight ball the rest of the game, allowing only one hit.

O'Banion, who hurled for the Cigar Makers performed exceedingly well. Pausbach also starred behind the bat.

The line-ups were:

Townsends—Wiles, c; Smith, p, and 1b; Stinson, 1b and p; McDonald, 2b; Farmer, ss; Pope, 3b; Murrin, rf; Bickett, cf; Johnson, lf;

Cigar Makers.—Pauschbach, c O'Banion, p; Kepner, 1b; Wilson, 2b; Pope, ss; Shanks, 3b; Basford, rf; Hansen, cf; Monroe, lf.

The runs made were as follows—Smith, 2; Pope, 2; O'Banion, 2; Farmer, Murrin, Johnson, Pausbach, Kepner, Wilson, Shanks, Basford.

GUN CLUB TO HAVE FLOAT IN CENTENNIAL CELEBRATION

Plans Made for a Handicap Shoot Which Will Begin Next Sunday.

The gun club voted last night to prepare a float for Maryville's Centennial Celebration and Soldiers' Reunion September 7-8, to make repairs on their grounds and to arrange for a handicap shoot which will begin next Sunday. A call meeting of the club met in Marcell's studio. It was decided to use only the sixteen-seventeen and eighteen yard distance in the handicap meet, and the schedules for the three distances were made out.

R. R. Souers, secretary of the club said the meeting last night was the most enthusiastic one the club has had for a long time. A committee was appointed to repair the trap box and to get an estimate for a new concrete foundation. Last Sunday the club fixed up a grand stand on their club grounds which will accomodate about thirty people. They have fixed the railroad crossing so that cars can drive to the grounds.

The committees appointed to make arrangements for the float was composed of Albert Kuchs, Oliver Bovard and Theodore Robinson.

Those who will use the sixteen yard distance in the handicap shoot are: Kuchs, Kiser, Williams, Bennett, Sillers, Strong, Touhey, H. I. Souers and Sisson. The seventeen-yard distance entrants are: Yeaman, Geist, Robinson, Bovard and Marcell; The eighteen-yard distance entrants are: Winans, R. R. Souers, Tindall, Smith and Conder.
